- ▶ Various sizes
- ▶ Galvanized finish
- ▶ 7' working depth

### **Optional Features**

- ▶ Additional working depth
- ▶ Powder coated white
- ▶ Conveyor openings
- ▶ Filtered doors
- ▶ Custom sizes

Kayco Industrial booths are made to the same quality construction standards as our other spray booths. Ideal for jamming parts, wood finishing and a variety of other processes. our industrial booths feature an open front which draws air flow through the work area and out the exhaust filter at the back of the booth, limiting particulate matter discharge into the air. This line is offered in many standard sizes or can be customized to meet specific needs and applications.

---

Kayco Spray Booths Inc. strives to be your preferred supplier of quality spray booth systems and accessories. Our product line offers a diverse array of spray booth configurations that provide you with a high quality solution at an affordable price.

No solution is the same for every business. The KAYCO line of products is designed to allow custom configuration to meet our customers demanding requirements.

Kayco is dedicated to superior customer service before, during and after the sale.
